

Nolathane Part No. 46902, 46904 & 48153

COMMODORE TRAILING ARMS & ADJUSTABLE PANHARD ROD

NO DEPOSIT, NO EXCHANGE & NO HASSLE!

Nolathane's Commodore trailing arms & panhard rod are NOT EXCHANGE. SOLD IN PAIRS Nolathane arms save time pressing in bushes, there is no messing around with exchange deposits and freight. Resellers and the trade don't end up becoming Arms Dealers with exchange deposit stock and freight bills for exchange units!

Nolathane Trailing Arms & Adjustable Panhard Rod look tough on street machines! Simply remove and dispose of the old unit and install the new **Nolathane** assemblies.

46902 - REAR UPPER TRAILING ARMS - PAIR

Suits Commodore - VB, VC, VH, VK, VL, VN, VP, VR, VS, VG (ute)
Suits Lexcen - VN, VP, VR, VS
These are the No.1 selling arms suit all live axle Commodores. Brand new heavy duty box section steel arms with **Nolathane** front & rear trailing arm bushes already fitted.

46904 - REAR LOWER TRAILING ARMS - PAIR

Suits Commodore - VB, VC, VH, VK, VL, VN, VP, VR, VS, VG (ute)
Suits Lexcen - VN, VP, VR, VS
These arms are REMANUFACTURED to **Nolathane's** standards with **Nolathane** front trailing arm bushes already fitted. Whilst part No. 46904 is remanufactured - NO DEPOSIT, NO EXCHANGE, NO HASSLE is required.

48153 - REAR ADJUSTABLE PANHARD ROD

Suits Commodore - VB, VC, VH, VK, VL, VN, VP, VR, VS, VG (ute)
Suits Lexcen - VN, VP, VR, VS
Suits Gemini - TX, TC, TD, TE, TF, TG
Brand new heavy duty rod with **Nolathane** panhard rod bushes already fitted. Fully adjustable on-car, provides adjustment of rear alignment to provide correct axle location at various ride heights. It is easy to see if the rear alignment needs correction on lowered live axle Commodores.

Simply measure the gap between the tyre sidewall and the top inner guard on each side. If it varies by more than 2mm - you need 48153! The bend in the **Nolathane** unit provides room for big bore exhausts which often knock on the original panhard rod. Adjustable from 880mm to 1110mm (eyelet to eyelet).

All **Nolathane** products including bushes, control arms, trailing arms and panhard rods are covered by Nolathane's 2 year / 40,000 klm warranty.
