

### COMPLETE SUSPENSION ARMS NO DEPOSIT, NO EXCHANGE, NO HASSLE & THEY LOOK GREAT!

**Holden, Commodore, Falcon, Toyota & Honda Complete Suspension Arms** - Don't waste time with replacement of bushes or ball joints on popular suspension arms. If you or your customer does not have time or the specialist tools required you should consider the **Nolathane** Arm programme. **Nolathane** do not believe in the hassle of exchange programmes with deposits, paperwork and return freight. All **Nolathane** arms are either brand new or remanufactured parts with **NO EXCHANGE, NO DEPOSIT & NO HASSLE**. The appearance and quality of our remanufactured arms is superb, unlike many exchange programmes. **Nolathane** bushes and new ball joints (where applicable) are already fitted. The **Nolathane Evolution** Honda, premium quality, arms provide camber and caster correction on lowered vehicles.  
**N.B. Refer application listing for specific fitment.**
