

## LATE MODEL SUBARU'S COVERED

**Nolathane** is pleased to announce the release of its range of replacement bushings and inserts for the latest Subaru Impreza (incl WRX & STi), Liberty (incl GT), Outback & Forester (incl. XT) models.

The **Nolathane** range covers front control arms, steering rack mounts and front to rear sway bar links. The rear of these Subaru's use heavily voided subframe bushings which **Nolathane** have covered by offering inserts to reinforce and lengthen the life of the original subframe bushings without compromising ride quality.
