

NEW PRODUCT SOLUTIONS FOR NISSAN 350Z!!!

Double Control Arm

Radius Rod Located (Short Arm - Long Spindle)
eg: late Falcon

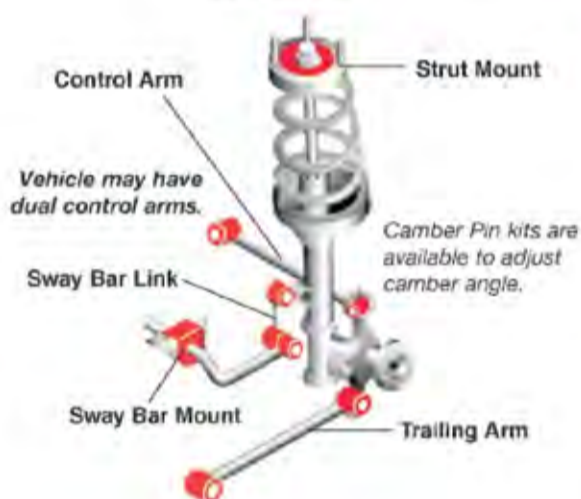

Nolathane are pleased to release its latest range of replacement polyurethane suspension bushings for the Nissan 350Z. The range covers both the upper and lower inner control arms bushings in the double control arm/ wishbone front end, as well as all the rear multi link control arm bushings. For added performance and optimum feedback of this highpowered rear wheel drive vehicle **Nolathane** highly recommends utilising the rear cradle/ subframe mount bushings.

For more information on the entire **Nolathane** range of 350Z products visit www.nolathane.com.au
