SOLUTION LOW RES SEARCH PAGE

www.nolathane.com.au/trade

We have witnessed countless frustrations experienced by parts interpreters suffering from slow internet connection when researching parts websites. This is why Nolathane have developed a dedicated trade portal with no images and banners, that's very quick to download and allows you to start searching the online vehicle and parts catalogue, that boasts extensive product information to get all the answers you need quick!

Current homepage using a number of images and banners which slows the download
www.nolathane.com.au

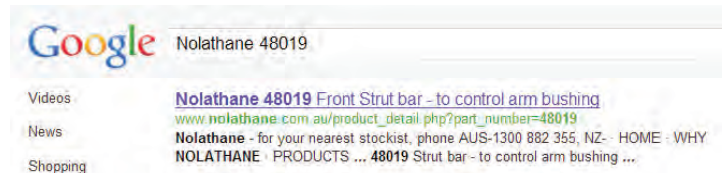

New search page with no pictures or banners allowing you to quickly download & start your search
www.nolathane.com.au/trade

So if your parts counter suffers from slow internet connection, simply save the new search page www.nolathane.com.au/trade to your desktop or your favourites to make searching Nolathane products quick and easy.
