

Nolathane[®]

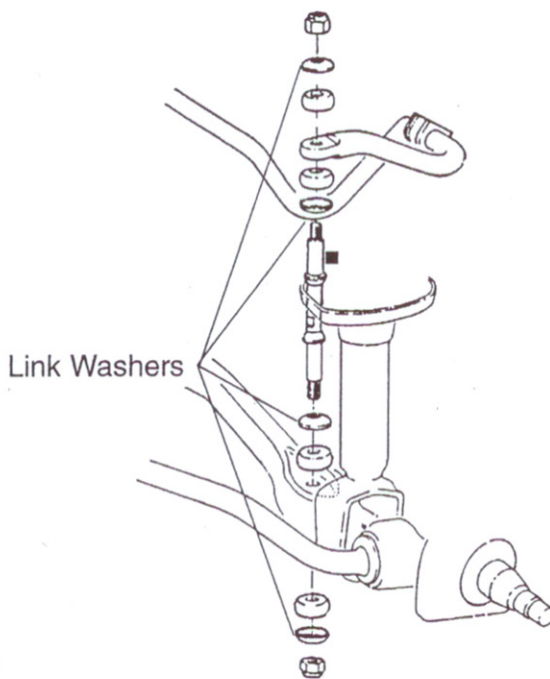

42933

Shock Absorber & Sway Bar Link Washers

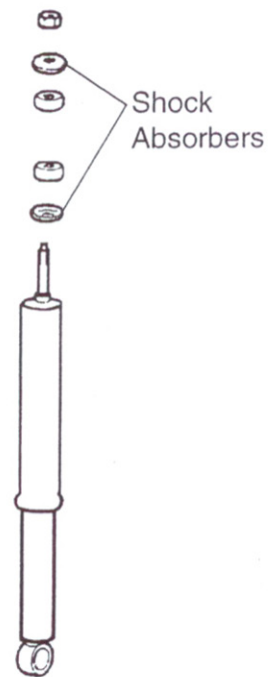

Due to market demand, Nolathane has now released shock absorber and sway bar link washers as a separate item.

This now allows replacement of fatigued, damaged or misplaced washers without having to purchase shock absorber or sway bar link kits.

Typical Sway Bar Link

Typical Shock Absorber

- Nolathane 42933 contents include 8 washers

The universal link washers will suit most makes and models including commercial and recreational.
